Information on privacy and cookies policy ex Art 13 of General Data Protection Regulation UE 2016/679 (GDPR)

Before communicating and processing any personal data, we invite you to read carefully this "Privacy Policy" which is to be understood as a statement made in accordance with art. 13 of the GDPR to those who consult and interact with the website, as it contains information on the protection of personal data and on the security, measures put in place to ensure personal data confidentiality in full compliance with the GDPR.

Please note that this Privacy Policy is intended only for the website www.frigosystem.it and it does not apply to other websites that may be consulted through our links.

The Data Controller

FRIGOSYSTEM S.r.l. based in **Via J. F. Kennedy 240 – 21042 Caronno Pertusella (VA) - +39 02.9658610 - info@frigosystem.it** - is the responsible of the processing of personal data, relating to identified or identifiable persons, processed after the consultation of our website.

Place and purpose of the data processing

Data processing related to the web services of this website takes place at our service provider that has been specifically appointed as External Responsible and the data processed are handled directly by our employees specifically trained and in charge of this activity.

The personal data provided by users who send requests via email are used only to reply to the requests received.

No data collected from the web service are communicated or publicized to third parties.

Procedure regarding the data processing

Personal data are processed with automated IT tools, for the time necessary to achieve the above-mentioned purpose. The response to requests is normally made within 15 days.

Categories of data processed

Data provided by users voluntarily

The optional, explicit and voluntary sending of an e-mail to the addresses indicated on this website does not entail any request for consent and the possible filling of predisposed forms entail the subsequent acquisition of the address and data of the sender / user necessary to respond to the requests submitted.

In the case of filling in a specific form which requires the compilation of some predefined fields, the marketing and communication purposes will also be added. In this case, an explicit consent will be required to the user during the compilation of the form

Navigation Data

The computer systems and the software procedures used to run this website, acquire, during their normal operation, some personal data whose transmission is implicit in the use of internet communication protocols. This information is

Frigosystem S.r.l.

Via J. F. Kennedy, 240 - 21042 Caronno P. (VA) Italy
